LIST OF SCIENTIFIC CONTRIBUTIONS
(Congress Abstracts & Other Scientific Communications)

Kari J. Syrjänen, MD, PhD, FIAC

ABSTRACTS AND OTHER PAPERS

1. Syrjänen, K.J. Histological findings in lymph nodes in patients with mammary carcinoma. Krebs-Symposium, Signe und Ane Gyllenberg Stiftung, Helsinki, May 8-9, 1972.
2. Syrjänen, K.J. and Hjelt, L.H. Tumor-host interrelationships in carcinoma of the female breast. OB/GYN Digest. Aug./Sept. 48, 1979.
3. Syrjänen, S.M. and Syrjänen, K.J. Die Auswirkung von Alvogyl^R auf die Wundheilung bei Extraktionswunden. Quintessenz 30, 35-36, 1979.
4. Syrjänen, K.J. Cytologic signs of condyloma, squamous cell carcinoma tied. Ob. Gyn. News 16, 30, 1981.
5. Tuppurainen, K., Collan, Y., Rantanen, T., Syrjänen, K. and Hollmen, A. Cornea verticillata och Fabrys sjukdom. XXV Nordiska Oftalmologmötet, Oulu, 10.-13.8.1981
6. Syrjänen, S.M. and Syrjänen, K.J. A morphometric analysis of the labial salivary glands of healthy young adults. Symposium on Morphometry in Morphological Diagnosis, Koli, Finland, Sept. 6. 6-8, 1981.
7. Syrjänen, K.J. and Naukkarinen, A.H.M. Post-capillary venules in the T-cell area of chicken cloacal bursa with reference to the state of local immune response. Symposium on Morphometry in Morphological Diagnosis, Koli, Finland, Sept. 6-8, 1981.
8. Syrjänen, K.J. Morphological evidence suggesting HPV involvement associated with bronchial squamous cell carcinomas. Workshop on Papillomaviruses and Cancer, Freiburg, West Germany, April 7-8, 1982.
9. Syrjänen, S., Lampinen, E. and Syrjänen, K. Orthopantomographic changes in patients with end stage renal disease. IX:e Nordiska Symposiet i Odontologisk Röntgendiagnostik, Stockholm, Sverige, maj 20.-22., 1982.
10. Syrjänen, K., Syrjänen, S., Lamberg, M., Pyrhönen, S. and Nuutinen, J. Morphological and immunohistochemical evidence suggesting Human papillomavirus involvement in oral squamous cell carcinogenesis. Scandinavian Congress of Oral Pathology, Kuopio, Finland, June 3-5, 1982.
11. Syrjänen, K., Väyrynen, M., Castren, O., Mäntyjärvi, R., Pyrhönen, S., Syrjänen, S. and Yliskoski, M. HPV-antigens in the dysplastic lesions of the uterine cervix. Papilloma Virus Meeting, Cold Spring Harbor Laboratory, New York, Sept. 14-18, 1982.
12. Syrjänen, S., Syrjänen, K., Lamberg, M. and Pyrhönen, S. HPV involvement in the squamous cell lesions of the oral cavity. Papilloma Virus Meeting, Cold Spring Harbor Laboratory, New York, Sept. 14-18, 1982.
13. Collan, Y., Aalto, M-L., Jantunen, E., Karhunen, J., Kosma, V-M., Naukkarinen, A., Puittinen, J., Rautiainen, M., Romppanen, T., Seppä, A. and Syrjänen K. Morphometric pathology in diagnosis of disease: The basic principles and the relevant practical applications. XIV International Congress of the International Academy of Pathology, Sydney, Oct. 11-16, 1982.
14. Syrjänen, K.J. and Kosma, V.M. Hormone receptor levels related to histological parameters of tumor-host relationships in female breast carcinoma. Oncology Digest. Oct. 7, 1983.

15.Syrjänen, S.M., Syrjänen, K.J., Lamberg, M.A. and Happonen, R.P. Immunocompetent cells in oral squamous cell lesions of HPV origin. Papilloma Virus Workshop, Örenäs, Sweden, July 27-30, 1983.

16.Naukkarinen, A. and Syrjänen, K. Effects of anti-T lymphocyte serum on immunological reactivity and on the T cell area of the cloacal bursa in the chicken. XIV Annual Meeting of the scandinavian Society for Immunology, Beitostölen, Norway, April 11-14, 1983.

17.Syrjänen, K.J. The in situ immunoreactive cells in uterine cervical lesions of Human papillomavirus (HPV) origin. 8th International Congress of Cytology, Montreal, Canada, June 19-23, 1983.

18.Syrjänen, K., Väyrynen, M., Castren, O., Yliskoski, M. and Mäntyjärvi, R. Phenotypic characterization of the immunocompetent cells in uterine cervical lesions of Human papillomavirus (HPV) origin. IXth European Congress of Pathology, Hamburg, FRG, Sept. 19-23, 1983.

19.Syrjänen, S., Markkanen, H. and Syrjänen, K. Phenotypic characterization of the immunocompetent cells in gingival lesions of juvenile periodontitis. IXth European Congress of Pathology, Hamburg, FRG, Sept. 19-23, 1983.

20.Kosma, V-M. and Syrjänen, K. Regional lymph node reactions related to hormone receptor status in female breast carcinoma. IXth European Congress of Pathology, Hamburg, FRG, Sept. 19-23, 1983.

21.Syrjänen, K., Väyrynen, M., Castren, O., Mäntyjärvi, R. and Yliskoski, M. The in situ immunological reactivity and the outcome of HPV lesions in the uterine cervix. Papilloma Virus Workshop, Örenäs, Sweden, July 27-30, 1983.

22.Naukkarinen, A.H.M., Syrjänen, K.J., Väättäin, N. and Horsmanheimo, M. Phenotypic characterization of the cutaneous infiltrates in Lichen planus treated with PUVA Congress of the European Academy of Allergology and Clinical Immunology, Rome, Sept. 25-30, 1983.

23.Horsmanheimo, M., Naukkarinen, A., Hollmen, A. and Syrjänen, K. Subsets of T lymphocytes in prick test and in epicutaneous test in patients with cow' s dander induced hand eczema. XII Congress of the European Academy of Allergology and Clinical Immunology, Rome, Sept. 25-30, 1983.

24.Syrjänen, S., Syrjänen, K., Gissmann, L. and Lamberg, M. Human papillomavirus (HPV) DNA and viral proteins in an oral squamous cell lesion preceded by a mucosal trauma. SFOPOM-Meeting, Stockholm, Sweden, August 28-29, 1983.

25.Kosma, V-M., Selkäinaho, K., Collan, Y., Syrjänen, K., Aalto, M-L. and Seppä, A. Grading of postcapillary venules in lymph nodes: Observer variation and reproducibility in subjective estimation and morphometric measurements. Sixth International Congress for Stereology, Gainesville, Florida, Oct. 9-14, 1983.

26.Naukkarinen, A.H.M. and Syrjänen, K.J. Post capillary venules in the bursal T cell area of SRBC immunized chickens following local and systemic treatment with anti T lymphocyte serum. Second Symposium on Morphometry in Morphological Diagnosis, Kuopio, Sept. 6-9, 1983.

27.Naukkarinen, A.H.M. and Syrjänen, K.J. Effects of local and systemic administration of anti-macrophage serum on post capillary venules in the bursal T cell area of SRBC immunized chickens. Second Symposium on Morphometry in Morphological Diagnosis, Kuopio, Sept. 6-9, 1983.

28.Kosma, V-M., Selkäinaho, K., Collan, Y., Syrjänen, K., Aalto, M-L. and Seppä, A. Observer variation and reproducibility of grading: Analysis of the postcapillary venules in human axillary lymph nodes using subjective and morphometric methods. Second Symposium on Morphometry in Morphological Diagnosis, Kuopio, Sept. 6-9, 1983.

29.Richart, R.M., Ferenczy, A., Meisels, A., Syrjänen, K. and zur Hausen, H. Condyloma virus and cervical cancer- how strong a link? Contemporary Ob. Gyn. 23, 210-224, 1984.

30.Castren, O., Syrjänen, K., Väyrynen, M. and Saarikoski, S. Die Histopathologischen und Kolposkopischen Befunde der mit Papa-Abstricht gefundeman Human papilloma Virus (HPV) Infektionen bei 302 nachgesuchten Frauen. 7. Arbeitstagung der Arbeitsgemeinschaft Cervix uteri., Wiesbaden, BRD, Mai 5.-9. 1984.

31.Laatikainen, A., Syrjänen, K. and Mäntyjärvi, R. Immune response to P815 mastocytoma in DBA/2 mouse: Correlation between in vitro cytotoxicity and histopathology. XV Annual Meeting of the Scandinavian Society for Immunology, Odense, Denmark, May 18-20, 1984.

32.Naukkarinen, A. and Syrjänen, K.J. Effects of anti macrophage serum on immunological reactivity and on the T cell area of the cloacal bursa in the chicken. XV Annual Meeting of the Scandinavian Society for Immunology, Odense, Denmark, May 18-20, 1984.

33.Lind, P., Syrjänen, S., Syrjänen, K. and Koppang, H.S. Viral antigens and immunoreactive cells in oral precancer lesions. Second Meeting of the International Association of Oral Pathologists, Noordwijkerhout, The Netherlands, June 4-7, 1984.

34.Syrjänen, K., Nuutinen, J. and Syrjänen, S. Tumor-host relationship in lip cancer. Second Meeting of the International Association of Oral Pathologists, Noordwijkerhout, The Netherlands, June 4-7, 1984.

35.Syrjänen, S., Linkosalo, E. and Syrjänen, K. Nasal cytology of patients with hypertrophic inferior concha in panoramic radiographs. 10. Nordiske Symposium in Odontologisk Röntgendiagnostik, Aarhus, Denmark, maj 18-19, 1984.

36.Syrjänen, K.J. Mäntyjärvi, R., Väyrynen, M., Castren, O. and Saarikoski, S. Chlamydial cervicitis in women followed-up for Human papillomavirus (HPV) infection of the uterine cervix. International Conjoint S.T.D. Meeting, Montreal, Canada, June 17-21, 1984.
